

# Plant and Plant Products

## What you need to know

To make sure your arrival in Fiji goes smoothly you'll need to know about:

- the passenger arrival ([Download Arrival Card](#))
- prohibited items
- declaring all food, plants, animals, animal products, organisms, and salt or fresh water products
- declaring all used equipment like camping, farming, hunting, sporting, gardening, and other recreational equipment
- endangered species
- cleaning, checking, drying, and declaring
- Fines and other penalties.

## What to declare

On your way to Fiji, every traveller will be given a passenger arrival card that you'll need to fill in before you can enter the country. This is a legal document. If you make a false or incorrect declaration, you are breaking the law and you can be fined or put in prison

- Food
- Plant and Plant Products
- Live Animals
- Animal Products
- Salt and freshwater products and items associated with water
- Used Equipment

NB: If you are not sure of any items or need more information please email: [info@baf.com.fj](mailto:info@baf.com.fj) or call you're nearest [Biosecurity Office](#)

## Import Requirements
